

THE RETURN OF SHERLOCK HOLMES

We carry out our Project with 7 participants from Turkey, Ukraine and Macedonia.

With this Project students will use their imagination and tell stories from their point of views on a specific subject.

As it is a detective story, students will be able to prepare a crime scene and collect evidences to write their own stories.

AIMS:

- ✓ Improve students' imaginary world
- ✓ Give students' imagination prominence
- ✓ Develop students' story telling skill
- ✓ Learn about the necessary criterions of short story
